2018 Budget Discussion

To: City Council

From: Mark Kaltsas, City Administrator

Meeting Date: August 22, 2017

Discussion:

Following the initial discussion of the 2018 Budget and tax levy, staff has worked to revise the budget. Council directed staff to prepare a draft preliminary budget based on a 40% City tax rate. Abdo, Eick & Meyers has prepared an updated preliminary budget which increases the overall City tax rate to 40% from 39%. The effect of the increased tax rate is an approximate \$93,000 increase in overall revenue. This rate increase would result in a general fund levy increase from 2017 of 6.34 percent. It is recommended that this additional revenue be allocated to the City's funds as follows:

- \$60,000 Public Works Capital Equipment Fund
- \$33,050 General Fund

The City has made several additioanl key revisions to the budget following the initial meeting:

1. Updated the budget based on the three fire services contract numbers as well as an updated West Hennepin Public Safety proposed budget number. The proposed 2018 public safety and fire contract amounts are as follows:

		2018	2017
•	Maple Plain Fire -	\$217,410.00	\$185,344.00
•	Delano Fire –	\$66,072.73	\$66,129.13
•	Loretto Fire -	\$75,138.85	\$81,442.14
•	WHPS -	\$1,118,860	\$1,089,303

2. Added additional funding to the Mayor and Council budget for the 2018 national conference to be held locally.

- 3. Included \$15,000 for continuation of the 2040 Comprehensive Plan preparation. It is anticipated that the City would complete this process in 2018 (must submit plan to Metropolitan Council by end of 2018).
- 4. The City has PW capital equipment cash balance of approximately \$90,000. If the City makes the \$60,000 contribution to the PW capital fund in 2018, and on an annual basis moving forward, it would put the City in a position to generally fund the long-term capital equipment plan.
- 5. The approximate \$90,000 increase in revenue resulting from the rate increase will go towards increasing the City's fund balance.
- 6. The capital improvement plan for City Hall shows no significant expenditures until 2020. The current budget contemplates the City taking on a more robust overhaul of the mechanical systems and interior and exterior needs of the building in 2020. The 2006A GO bond issue will be expiring in 2020. The City could capture the expiring debt by issuing new debt in 2020 (payable 2021) to upgrade City Hall. This could include upgrades to the front entrance, carpet and flooring, interior and exterior painting, new HVAC equipment for WHPS, community room upgrades and storage and garage space upgrades.
- 7. The budget reflects a 2% cost of living increase. In addition, the budget identifies an additional 7 hours of administration time per week which would increase our part-time administration from 25 to 32 hours.

MEMO

TO: CITY MANAGER/CITY ADMINISTRATOR

FROM: AEM FINANCIAL SOLUTIONS, LLC

SUBJECT: 2018 BUDGET POINTS MEMO

DATE: 8/18/2017

Introduction

Upon your request, we have summarized some of the key items for consideration in this years' budget memo to Council.

Budget Format

The 2017 Budget included the Council approved priorities for each department. These will continue to be reviewed and updated as needed.

Key items in this year's budget

- Overall City general fund levy increase is 6.34 percent but the overall city-wide increase is \$153,523 or 5.71 percent.
- The increase in the general fund is driven by the following factors:
 - Generally use a 3% inflation increase factor for all expenditures not specifically identified. This will continue to be reviewed as more activity is recorded in 2017.
 - o Consulting Expense includes funding for comprehensive plan costs in 2017.
 - Created one line item for Community Event Contributions and reduced the budget to \$4,200 to bring in line with actual expenses incurred.
 - o Funded \$18,760 of capital costs.
 - o Funded \$60,000 the Public Works Capital for the purchase of a Tandam truck in 2020.
 - o Funded \$33,050 in cash reserves.
 - o Increased Part Time Administration positon from 25 hours to 32 hours per week.
- The Pioneer/Sarah Watershed taxing district levy is \$64,010 or a .39% decrease over last year.

Claims declaration process modified

Many cities are choosing to pay claims electronically and have to take extra steps to ensure the appropriate declaration statement is signed off on by vendors. Effective August 1, 2017, MN Statute 471.38 was amended to repeal the specific form of the declaration by a claimant (Minn. Stat. § 471.391, subd. 1) and provides that by making the claim, the person making it is declaring that it is just and correct and has not been paid.

Levy Limits

At this time there are no levy limits for 2018.

Notice of proposed ordinances

Chapter 77 (HF 1242*/SF 1224) creates a new statute, Minn. Stat. § 415.19, to require a 10-day notice for most proposed ordinances. Interim ordinances are exempt from this notice requirement. At least 10 days before a city council schedules a final vote on a proposed ordinance or proposed amendment to an ordinance, it must:

- Provide email notification of the proposed ordinance or proposed amendment to an ordinance if the city has an electronic notification system that distributes general city information or notices via email.
- Post notice of a proposed ordinance or the proposed amendment to an ordinance in the same location as other public notices if a city does not have an electronic notification system.
- Update the city website with the language of the proposed ordinance or the proposed amendment to an ordinance if the city posts ordinances on its website. If ordinances are not posted on the city's website, the city does not have to comply with this provision.

If a city has an electronic notification system, the city must inform those who apply for a new business license or license renewal of these notification procedures at the time of the application. Failure to provide this notice does not invalidate an adopted or amended ordinance. A city may provide more notice than required by this new law if it has the ability to do so.

PERA changes

There are no rate increases projected for 2018 at this time. Coordinated members of the general employees' retirement plan of PERA employer contributions will remain at 7.5% with the employee base contribution remaining at 6.5%. The Police & Fire Plan rates will remain 10.8% for the members and 16.2% for the employers.

Taxation Notification Summary Chart for Taxes Payable 2018

Due date	EDA and City levy process
6/30/2017	The EDA/City must notify the County Auditor prior to July 1, 2017 of the intent to have an EDA levy. A letter must be sent stating that the EDA levy encompasses all contiguous parcels in the City of New Hope. The actual amount of the levy does not need to be stated, only the intent to levy.
9/30/2017 (1)	The EDA must pass a resolution authorizing the proposed 2018 EDA levy
9/30/2017 (1)	The City must pass a resolution and file with the County the exact amount of the proposed 2018 EDA levy. This due date is different from the filing date for the City proposed 2018 property tax levy. The due date of the City property tax levy is September 30, 2017.
9/30/2017	At one meeting, the City Council adopts the proposed property tax levy and announces the time and place of a future City Council meeting at which the budget and levy will be discussed and public input allowed, prior to final budget and levy determination. This public input meeting must occur after November 24, 2017 and must start at or after 6:00 PM. The time and place of the public input meeting must be included in the minutes but newspaper publication of the minutes is not required. This information must be filed with the County Auditor.
11/26/17 - 12/27/17	EDA must pass a resolution approving the 2018 EDA levy
11/26/17 - 12/27/17	City must pass a resolution approving the 2018 EDA levy
11/26/17 - 12/27/17	City Council must hold a meeting to discuss the budget and property tax levy and, before a final determination, all public input.
12/28/17	City must file the certificate of compliance (form TNT - 2017) with the Department of Revenue by December 28, 2017.

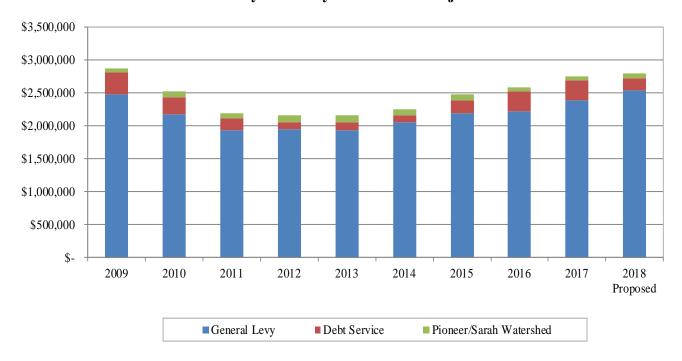

⁽¹⁾ Changes to the special district certification deadline have been approved by the Legislature in the Tax Bill.

General Fund Balance

The City has built a healthy fund balance which can contribute to a positive bond rating and mitigates the potential for needing short term borrowing. It will be important to continue to maintain reserve levels at 40 to 50 percent. A summary of the general fund balance history and 2018 budget is as follows. It should be noted that the future projections assume a 3% increase in expenses and a breakeven budget which results in the City eroding reserves levels when viewed as a percent of expenditures.

Year				Fund Balance December 31	General Budg		Percent of Fund Balance to Budget
