- e. Third Quarter Financial Report (for information)

Johnson – Would you like to say anything more, Mark?

Kaltsas- We reviewed it and everything on the finances looks about where we thought it'd be. We're down on taxes and as normal still have more coming on that. Fees are up this year. A couple of our spending categories are in the ballpark this year, but otherwise we are in the positive to where we should be at this time of year. I think we look pretty good.

Motion by Spencer, seconded by Betts to approve the Consent Agenda. Ayes: Johnson, Betts, Spencer, and Grotting. Nays: None. Absent: McCoy. Abstain. None. MOTION DECLARED CARRIED. 4.0

5. SET AGENDA – ANYONE NOT ON THE AGENDA CAN BE PLACED UNDER OPEN/MISC.

- Police Commission,
- WHCC Chamber of Commerce Christmas meeting & potluck

Johnson attended the following meetings:

- League of MN Cities Mtg (virtual) former presidents' connection Dave Unmacht, Exec Director of the League, announced his retirement in May after 7 years. The LMC Board will launch a search for his successor, and Ann Finn will take Gary Carlson's place after 30 years.
- Legion Christmas party
- Hwy 55 Corridor Coalition Quarterly Meeting City Hall
- Regional Council Mayors Meeting at the Mpls Club
- WHPS interview of police candidate
- NW League at DOBO's with all Police Chiefs' recognition
- Orono Health Youth meeting
- Tom Emmer's Holiday reception Otsego
- Maple Plain Council Meeting Cahill's last night at Council
- <u>7.</u> West Hennepin Public Safety Director Gary Kroells: Presentation of the November 2022 Activity Report.

Through November WHPS has handled 4,307 incident complaints: 222 were in Independence and 130 were in Maple Plain. There were 10 incidents of drivers going up and over the roundabout at Co Rd 92 and Hwy 12. Eastbound traffic mostly has this problem, and the sign might still be run down. Director Kroells is close to asking the City's Public Works to add a red, orange, and white type 3 road barrier to prevent it from continually happening. There were: DWI arrests; a baby boy's intentional home birth happened near Olstad Drive and Independence at 9:40pm where he arrived before the midwife's arrival and an officer used a blue suction bulb to help remove fluid and mucous from his mouth and nose. They went to North Memorial afterwards to be checked out. A DWI arrest of a male soliciting sexual acts at nearby parking lot. He was extremely intoxicated and placed under arrest. He was transported back to WHPS and had refused a breath test. He was released to a sober party and charges are pending. See the full report in the meeting's packet.

The 42nd annual View Santa was held on Saturday, Dec. 3, 2022, and it was another tremendous event. The staff did a wonderful job decorating the front lobby. Cookies, treats, and City Hall decorations were well received. WHPS and reserves traveled throughout the cities and collected 1,570 lbs. of food and \$700 cash for Helping Hands Food Shelf in Delano. Santa continued to do a great job, and all were really excited to see him coming down the road.

Citizens Police Academy will be held on Thursday nights from February 16 – April 6, 2023. Brochures are available now at WHPS' Events tab even though it is a little early now. We will promote this and hope to have 12-15 people attend which is usually never a hard to fill.

Betts- It was also full page in the City's Winter 2023 newsletter.

Johnson – Does the County still do one?

Kroells – There aren't many left that do it anymore. I'm not sure if they do it anymore since Covid. Our officers really enjoy teaching it.

Johnson – The graduation is a nice reunion for everyone in the past.

Kroells- It began around 1999 so you might have been in the first class.

Johnson – The polo shirts don't have the year on them. Mine is old and itchy now. The current shirts are very nice. Has everyone been healthy?

Kroells – Actually not. We had one sick over the weekend and a few others out, but mostly just dealing with the common cold.

Johnson – Well, wish them well, and I hope they can get their Christmas in with all their differing schedules.

8. Open/Misc.

Kaltsas – I had a call at end of last week from a financial advisor in Fargo who was looking for financing a deal for nonprofits for 2023. We have been previously open to that conduit finance. This project is called 180 Degrees and does housing for people without housing. There are two different renovations projects and has a \$5.5 million issuance with potentially a \$25,000 fee for issuing that. I'm checking if anyone had any concerns. I had mentioned that we might be interested and that I'd present it to you. It's a .25 - 1 point, and we are always at .50 or below range. One project is in Rochester and the other is in St. Cloud. They'd need approval from those communities. We have no bond issue, and we aren't planning anything for next year. So, it doesn't impact our bank qualify ability. It's \$5.5 million, so we'd still have room even if it was. Do you have any thoughts?

Johnson – They have been good projects where they have worked. It would be fun to see the school in Coon Rapids some time. The first one we did was with senior housing in Crystal and took off like a firecracker and filled up immediately.

Betts – Have we done more schools?

Kaltsas- Recently we did two schools and one senior housing.

Johnson – The one Director invited us to come up there.

Grotting – Is it just building a project, or do they fund ongoing projects?

Kaltsas – It's building and infrastructure (parking, utilities, etc.) cost, not operational.

Johnson - They can add on to a facility. Are we ready to adjourn?

9. Adjourn.

Motion by Betts, second by Grotting to adjourn the meeting at 6:52 pm.

Meeting adjourned.

Respectfully Submitted, Linda Johnson / Recording Secretary

City of Independence 2023 Fee Schedule Adoption

To: | City Council

From: | Mark Kaltsas, City Administrator

Meeting Date: | January 17, 2023

Discussion:

The City annually reviews and considers adoption of a fee schedule which establishes fees related to services/permits/review provided by the City. The annual review of the City's fee schedule ensures that the cost of providing various services is commensurate with the services provided. The City has determined that several fees should be amended based on actual costs of providing services and or administration of the fees in 2022. It is recommended that the City Council consider increasing the fees as follows:

1. Quarterly sewer charges are proposed to be amended in accordance with the City's sewer charge study (updated in January of 2020) using a 3% increase. The City's cash position in the sewer fund continues to increase in accordance with recommended cash balance levels.

a. Quarterly sewer access charge: \$250 (\$242 in 22')b. Quarterly availability charge: \$250 (\$242 in 22')

2. The City has reviewed planning application fees and noted that the fee structure has been consistent since 2017. Due to increased costs, the actual price to process an application is now slightly higher than the current base fee covers. In order to provide applicants with a more accurate representation of the actual cost, it is recommended that the fee structure be modified so that the non-refundable fee is increased by \$250, and the escrow is decreased by \$250. This would cause for the total application fee to remain consistent but would modify the refundable and non-refundable fees to more accurately align expectations with actual City costs.

a. Type I Planning Application: \$1,500 fee/\$500 escrow (\$1,250/\$750 in 22')
b. Type II Planning Application: \$2,000 fee/\$1,250 escrow (\$1,750/\$1,500 in 22')

Council Recommendation:

City Council is asked to consider approval of **RESOLUTION NO. 23-0117-03** adopting the 2023 fee schedule.

City of Independence

Consideration to Authorize City to Apply for Hennepin County Broadband Grant

To: | City Council

From: Mark Kaltsas, City Administrator

Meeting Date: | January 17, 2023

Discussion:

The City has discussed the possibility of expanding broadband services to a higher number of our residents. The City has been discussing the possible expansion of services with both Mediacom and Midco broadband companies. At this time, Midco has the potential to expand facilities to the greatest number of Independence residents. Midco would like to apply for grant funds in March of 2023 (MN Boarder to Boarder grant program - DEED) to expand broadband services to approximately 434 homes in the City by 2025. The proposed expansion would be fiber-to-the-home and capable of 5 Gig symmetrical speeds (service area map attached).

It is estimated that the project would be funded as follows:

Total Homes: 434, all considered unserved by MN DEED

Total Project costs: \$2.9MM Midco Contribution: \$1.49MM DEED Request: \$1.49MM

The City has the ability to apply for additional contributing funds through the Hennepin County Broadband grant program that is accepting applications through January 31, 2023. The Hennepin County grant will be awarded in amounts from \$25,000 - \$500,000 and can be used to match potential MN Border-to-Border grants. For this request, it is anticipated that any grant funds obtained through the Hennepin County Broadband grant would be applied to reduce the DEED request identified above. It is likely that the City will seek \$200,000-\$250,000 based on a final budget projection which will be provided by Midco prior to the City Council Meeting.

If awarded, Midco would build out the north side of Highway 12 first and then the south side second. Midco believes that they could complete this buildout in 2024. Hennepin County grant recipients would have to complete projects by end of 2024.

Requested Action:

It is recommended that the City Council consider authorizing staff to make application to Hennepin County seeking funding through the Hennepin County Broadband grant program for use as a potential match for the MN Border-to-Border grant application.
