1. CALL TO ORDER.

Pursuant to due call and notice thereof, a regular meeting of the Independence City Council was called to order by Mayor Johnson at 7:00 p.m.

2. ROLL CALL

PRESENT: Mayor Johnson, Councilors Spencer, McCoy, Grotting, Betts and Commissioners Thompson,

Palmquist, Dumas and Gardner

ABSENT: Commissioners Phillips and City Attorney Vose,

STAFF: City Administrator Kaltsas, City Administrative Assistant Horner

VISITORS: Dudley Batholow, Brian Glover, Lynda Franklin, Sally Simpson, Anita Volkenant, Scott and

Linda Learned, Dawn Mooney, Randy Stinson

3. Consider Approval of the Minutes from the October 16, 2018 Regular Planning Commission Meeting (Planning Commission)

Motion by Gardner, second by Thompson to approve the Planning Commission Minutes from October 16, 2018. Ayes: Gardner, Thompson and Dumas. Nays: None. Absent: Phillips. Abstain: Palmquist. MOTION DECLARED CARRIED.

- 4. Consider Approval of the Draft 2040 Comprehensive Plan.
 - a. Planning Commission Recommendation to City Council to Approve the 2040 Draft Comprehensive Plan (Planning Commission).
 - b. City Council **RESOLUTION 18-1218-01** Approving the Draft 2040 Comprehensive Plan (City Council).

Kaltsas said in response to the 2040 issuance of the regional system statements, the City of Independence is required to update its local comprehensive plan. The comprehensive plan update will ensure consistency with the most recently adopted regional plans and policies and provide the City with a comprehensive development map for the next twenty years. The updated plan will guide development and land use through the year 2040. Due to changes in population forecasts, growth and housing trends, it is imperative that the City evaluate its past and ensure that it is prepared to secure its future.

The City's Comprehensive Plan consists of many different focuses, that when combined, provide the City with a map to guide future development. There are several key aspects of the plan that are most often referenced and applied during the continued growth and development/redevelopment of the community. The portion of the plan that is most widely used and or referenced by the City on a day to day basis is the Land Use Plan.

The City has completed an initial draft of the 2040 Comprehensive Plan. The draft Comprehensive Plan begins to compile all the information prepared during the last year pertaining to the plan. It is anticipated

that the draft plan will be submitted to surrounding jurisdictions for review as required by the Land Use Planning Act. Surrounding jurisdictions have six months from the date submitted to review plans and provide comments to the City. During the six-month review the City will also preliminarily submit a draft plan to the Metropolitan Council for review and comments. The City will continue to work on the plan, incorporate changes and make revisions as necessary. Prior to adoption of the final plan in July of 2019, the City will hold a public hearing to review the plan. Staff will review the draft plan at the meeting. Following the meeting, Planning Commissioners, Council Members and the public will be able to review the draft, ask questions of staff and provide comments relating to all aspects of the plan. It is anticipated that the City will hold another public open house and public hearing to review the revised plan prior to final adoption of the plan in 2019.

Key 2040 Plan Elements:

- 1. Based on recent discussions relating to the possible sewered development of certain lands in the City, this plan provides for specific sewered residential development areas. The City will need to carefully develop the corresponding zoning and development standards which will guide and regulate the advance of the sewered residential areas.
- 2. The City has identified an urban residential area on the western border of the City to accommodate affordable housing in response to the Metropolitan Council's requirement.
- 3. An updated local stormwater management plan has been prepared and incorporated into the plan.

Plan Considerations:

- 4. The draft plan will continue to be refined and fully formatted prior to submitting to surrounding communities and the Metropolitan Council.
- 5. There are some tables and or exhibits which may still need to be updated, but do not impact the information provided in the plan. These will be completed prior to submittal.
- 6. The plan provides goals and objectives at the end of each chapter which summarize key points and provide general guidance relating to next steps that the City can take to implement the plan. Please provide input relating to these sections and the suggested goals.
- 7. There are many components of the 2040 Plan that closely resemble the adopted 2030. As previously discussed, the 2030 plan was not fully realized due to the economic downturn and many of the studies, goals and objectives are still wholly pertinent to the 2040 Plan.
- 8. There may be appendices that reference past or current studies that are not attached to this document. If there are questions relating to any of the prescribed appendices, please let staff know.

Council/Commission Recommendation:

Staff is seeking a motion from the Planning Commission to recommend approval of the draft 2040 Comprehensive Plan. Staff is seeking approval of RESOLUTION No. 2018-1218-01 approving the draft 2040 Comprehensive Plan. Staff is seeking a motion from the Planning Commission to recommend approval of the

draft 2040 Comprehensive Plan. Staff is seeking approval of RESOLUTION No. 2018-1218-01 approving the draft 2040 Comprehensive Plan.

Palmquist asked what happens after July 2019 and the submittal to Met Council. Kaltsas said Met Council has 120 days to approve or comment on the plan. Johnson asked how much time surrounding communities have to comment. Kaltsas said they have six months but the hope is that the comments would be more timely. He noted affordable housing is an item that could come back to the City with questions on density etc., from surrounding cities. Kaltsas said most comments from surrounding communities are around transportation requirements and coordination of regional trails. Grotting noted people are very interested in the Otten parcel and asked how that was addressed in the plan. Kaltsas said that parcel has been pulled back from the plan.

Kaltsas said capacity is also based on sewer availability and projections from Met Council. Grotting said the lots around Lake Independence on the North side would be logical for sewer. Kaltsas said there were some potential properties on that side and it has been looked at in the past.

Johnson stated 10-20 years ago sewer was looked at possibly along Main Street. Kaltsas said it was also talked about along Budd Street. Johnson noted there was a loop that comes over the border and then back up to Highway 12. Kaltsas noted there is capacity but not sure how much it could actually serve. Thompson said if this meant to show future areas for sewer capacity maybe the plan should be more robust and show the actual math instead of just a developmental overview.

Spencer noted that per the Tri-City agreement expanding North is not really in the cards. Grotting said looking at it from an engineering point of view could the math be done and Kaltsas said it could but was not sure Met Council would accept it. Grotting said he was getting significant feedback on residents about developing the South side.

Motion by Palmquist, second by Thompson to approve the 2040 Draft Comprehensive Plan. Ayes: Thompson, Dumas, Palmquist and Gardner. Nays: None. Absent: Phillips. Abstain: None. MOTION DECLARED CARRIED.

Johnson stated the next item would be City Council RESOLUTION 18-1218-01 – Approving the Draft 2040 Comprehensive Plan. Grotting noted the density pieces could be moved around a bit so this is a preliminary approval and changes could still be made. Kaltsas said that was correct. Spencer said he liked the plan and would like to see an engineering piece added around Lake Sarah in conjunction with the Quad-City agreement.

Motion by Spencer, second by Betts to approve RESOLUTION 18-1218-01 – Approving the Draft 2040 Comprehensive Plan. Ayes: Johnson, McCoy, Grotting, Betts and Spencer. Nays: None. Absent: None. Abstain: None. MOTION DECLARED CARRIED.

5. Adjourn.

Motion by McCoy, second by Spencer to adjourn at 8:03 p.m. Ayes: Johnson, McCoy, Grotting, Betts and Spencer and Commissioners Thompson, Palmquist, Dumas and Gardner. Nays: None. Absent: Phillips. MOTION DECLARED CARRIED.

City of Independence

Consideration of a Payment to the Delano Area Senior Center and WeCAN for 2019

To: City Council

From: | Mark Kaltsas, City Administrator

Meeting Date: | January 10, 2019

Discussion:

The City of Independence is being asked to consider making a payment to the Delano Area Senior Center and WeCAN for services provided to residents in 2019.

- Delano Area Senior Center is asking for a payment of \$1,792.00 for services provided to residents in 2019. The amount represents a 3% increase from the 2018 payment. The City has historically paid a fee to the Senior Center. Most recently the City paid \$1,740.00 to the Senior Center in 2018. The Senior Center provides congregate meals, meals on wheels, education, wellness clinics, assistance with taxes and health insurance, legal aid, day tours, socialization and recreation to area senior citizens. The Senior Center served approximately 2,500 individuals in the past year. It is estimated that 250 of the individuals served were from Independence.
- The City of Independence has supported services for its residents given by WeCAN, a community-based human service organization dedicated to helping low-income people achieve greater self-sufficiency and family stability. WeCAN provides services which include emergency assistance for housing stability, family support services, Meals on Wheels, a mobile food shelf, employment support, public assistance intake services and other resources. The City has historically made a payment for \$1,500 to WeCan for services provided to the residents of Independence.

Recommendation:

The City Council is being asked to consider granting approval for the 2019 payment in the amount of \$1,792.00 to the Delano Area Senior Center and \$1,500.00 to WeCAN.

This year we will:

Serve 1,400 individuals, children and families

Deliver 8,000 hot meals to seniors

Distribute 1,200 coats, hats and mittens

Provide 325 individuals in crisis with emergency assistance

January 7, 2019

Dear Mayor and City Council,

On behalf of Western Communities Action Network (WeCAN), I am asking your city to support our application for Community Development Block Grant (CDBG) Consolidated Pool fund for 2019 with a resolution and/or a letter of recommendation.

WeCAN serves individuals and families in need in western Hennepin County. We are a community nonprofit organization whose mission is to provide support services to empower and equip individuals and families to reach stability and self-sufficiency. Our vision is that families and individuals will thrive in a vibrant community with full access to resources and support services.

WeCAN provides our community with much needed resources for our low-income and struggling clients. Our Meals on Wheels service provides fresh, nutritious meals delivered directly to the homes of seniors and individuals with disabilities. The WeCAN Mobile Market delivers groceries to those in need, who may not be able to access a traditional food shelf. It also features program that provides food bags to children during school breaks. Our family support programs include personal hygiene items and cleaning supplies given out once per month to stretch budgets, a birthday shelf with gifts and party supplies to celebrate a child's birthday, pet food assistance, school supplies and backpacks, an annual coat drive in the winter and a holiday gift program. We also offer space for clients to meet Hennepin County outreach workers, WIC, Community Action and Adult Basic Education classes (GED and ELL). Your support for our application is vital to our organization receiving the funds to support these much needed and well utilized services.

The deadline for your resolution and/or a letter of recommendation is **February 1, 2019**. I have included sample documents for you to use. Please feel free to call or email me with any questions, or to arrange a presentation for the council or staff. I look forward to our continued partnership as we make our community a better place for all.

Sincerely,

Christie Larson
Executive Director

CITY OF INDEPENDENCE RESOLUTION NO. 19-0115-01

RESOLUTION RECOMMENDING CONTINUATION OF CDBG FUNDING OF WESTERN COMMUNITIES ACTION NETWORK (WeCAN)

WHEREAS, the City of Independence (the City) has supported services for its residents given by WeCAN, a community-based human service organization dedicated to helping low-income people achieve greater self-sufficiency and family stability; and

WHEREAS, these services include emergency assistance for housing stability, family support services, Meals on Wheels, a mobile food shelf, employment support, public assistance intake services and other resources.

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of Independence recommends to the Consolidated Pool Selection Committee that Community Development Block Grant (CDBG) funding of Western Communities Action Network (WeCAN) be continued.

Adopted by the City Council this 15 th day of Januanays.	ary, 2019, by a vote ofayes and

Reference: National League of Cities Congressional Cities Conference

I would like your approval again to represent our City and the League of Minnesota Cities at the National League of Cities Congressional Cities Conference in Washington D. C., March 9-13, 2019. I do have opportunities to meet with our Senators, Congressional Delegates and/or staff while in D. C.

Besides the regular conference, I was again reappointed to serve on the Energy, Environment and Natural Resources Steering Committee and will be serving as Immediate Past Chairperson for the Small Cities Council of NLC. I will have two meetings for both the Steering Committee and the Council at the Conference. As I have mentioned before, by attending the National Conferences the League of Minnesota Cities covers my expenses for the three mid-year meetings for the NLC Committees. The first EENR midyear committee leadership meeting is scheduled for June 25 -26th in Indianapolis, IN, and the Small Cities Council will meet July 11 -13 in Camden, S. C.

I would appreciate the continued assistance from the City to cover expenses. Major costs are Registration \$495.00 Hotel four nights at approximately \$155.00 daily, plus tax and air fare approximately \$300.00.

I pre-registered early for the reduced convention rate. I do not stay at a convention hotel and use convenient public transportation which reduces costs considerably. "Thank You" for your continued support!

City of Independence

Consideration of Annual City Appointments

To: City Council

From: Mark Kaltsas, City Administrator

Meeting Date: | January 15, 2019

Discussion:

Each year the City selects Council Members, consultants and staff to serve the City and fill roles supporting boards and commissions. The Council has the discretion to make appointments as necessary. The various positions are identified on the attached schedule. Council appointments that have typically changed on an annual basis are highlighted on the attached appointment schedule.

Requested Action:

It is recommended that the City Council discuss and approve the official 2019 appointments by adopting **RESOLUTION No. 19-0115-02**.

ATTACHMENTS: RESOLUTION No. 19-0115-02
